

Help Shape the Future

'The First Wool Show'

“The show is comprised of a very good class of wool and the convening was excellently done, Merino fleeces showed more style and character than the crossbred sections, probably due to the adverse conditions experienced this year.” Reported judge, Mr. Wally Hammond, of Bennett and Fisher technical staff, Adelaide. The fleeces came from all over the district and will be sold at a later stage, with proceeds for the Youth Hall fund. Nearly 200 fleeces were given by district graziers.

'Youth Hall'

As a result of successful fund raising a donation of £270 was donated to support the building of a Youth Hall

Firewood for Pensioners

Two Working Bees were held, one on Sunday 19th April at New Aerodrome and the second on 3rd May at Portlock's property Lucindale. In all five loads were carted and wood distributed to eleven pensioners who were all very grateful. Organisers Bob Munyard and Alb Stratford. photograph shows Rotarians delivering firewood.
